CENTRO DI CULTURA DEL MARE

Associazione
EMYS

Edutainment for the future of our sea

Marea, located in the charming 16th-century Cloister of San Domenico, in the heart of the historic center of Gallipoli, is **a cultural center dedicated to storytelling** and promoting the territory and **culture of the sea**.

The interactive and multimedia experience

The museum exhibition is based on the use of **advanced technologies**: sensors, sounds, interactive games, augmented and virtual reality. **Marea** offers an innovative narrative of the sea, presenting itself as **an evocative place of sensorial experience** and knowledge.

5 interactive multisensory rooms

Designed to offer an exciting **interactive journey** through the local natural environment, the **culture of the sea**, and the depths of the ocean, engaging and stimulating, **to learn more about** and fully experience our environment.

An unforgettable "dive"

Thanks to the latest generation of **Oculus headsets**, the **Marea** Center takes you on a unique **virtual reality** experience that will allow you to explore the seabed in the company of dolphins, turtles, sharks, and whales. An **interactive, multi-sensory dialogue** that will allow you to discover unforgettable sensations.

ECO VERSO

NEW!

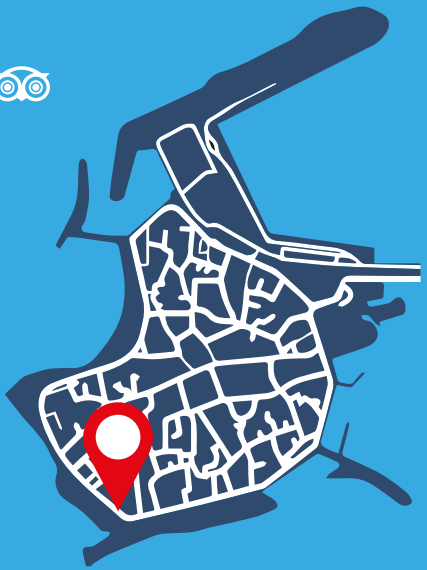

ECO VERSO is an **immersive experience** designed to bring about change, using technology to show in a direct and effective way the complex **climate changes** that are affecting our environment.
This room is essential for raising awareness among visitors of all ages about the importance of **sustainability** and actions to protect the planet.

Eco Verso is a project created by Emys within Centro Marea, thanks to the "PNRR Tocc digitale del terzo settore", the Ministry of Culture and the European Union

Edutainment for schools

The **Marea** Center is suitable for everyone, **especially schools**. For school-age children, specific content and appropriate language are offered, aimed at **educational enrichment**.
In addition to visiting the Sea Culture Center, a series of **workshops are available for schools**, from kindergarten to middle and high school
